

Gone, gone, gone, gone,  
Gone, gone, gone, gone,

ain't no sun-shine, gone...  
there ain't no  
ain't no sun-shine, gone...  
ain't no sun-shine when she's gone  
and she is gone...  
she goes a-way  
no sun-shine gone

there ain't no  
ain't no sun-shine gone  
there ain't no  
ain't no sun-shine gone  
ain't no sun-shine when she's gone  
and she is gone...  
she goes a-way  
no sun-shine gone!

and I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, hey I ough-ta leave the young thing a-lo-one...

ain't no sun-shine gone...  
there ain't no  
ain't no sun-shine gone...  
ain't no sun-shine when she's gone  
and she is gone...  
she goes a-way  
no sun-shine gone...  
a-ny-time she goes a-way  
no sun-shine gone...  
she goes a-way  
no sun-shine gone...  
a-ny-time she goes a-way  
no sun-shine gone!

and I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, I know, I know,  
I know, I know, hey I ough-ta leave the young thing a-lo-one  
but ain't no sun-shine...  
sun-shine...she's gone
