

Both Sides Now - alto

Rows and flows of an-gel hair
And ice cream cas -tles in the air
And fea-ther can-yons ev'-ry - where
I've looked at clouds that way
But now they on-ly block the sun
They rain and snow on ev' - ry - one
So ma-ny things I would have done
But clouds got in my way
I've looked at clouds from both sides now
From up and down - and still some how
It's cloud il-lu-sions I re-call
I re-ea-lly-y don't know clouds clouds - at all
Do do do do do do

Moons and Junes and fer-ris wheels
The diz-zy dan-cing way you feel
As ev'ry fai-ry tale comes real
I've looked at love that way
But now it's just a - no-ther show
You leave 'em laugh-ing when you go
And if you care don't let them know
Don't give your - self a - way
I've looked at love from both sides now
From give and take and still some how
It's love's il-lu-sions I re-call
I re-ea-lly-y don't know love love at all
Do do do do do do

Tears and fears and fee-ling proud
To say I love you right out loud
Dreams and schemes and cir-cus crowds
I've looked at life that way
But now old friends are ac-ting strange
They shake their heads they say I've changed
Well some-thing's lost but some-thing's gained
In li-ving ev' - ry day
I've looked at life from both sides now
From win and lose and still some how
It's life's il-lu-sions I re-call
I re-ea-lly-y don't know life life LIFE at all
Do do do do do do
