

Joni Mitchell

"Both Sides Now"

[MEZZOS]

Rows and flows of angel hair
And ice cream castles in the air
And feather canyons everywhere
I've looked at clouds that way

But now they only block the sun
They rain and snow on everyone
So many things I would have done
Clouds got in my way

I've looked at clouds from both sides
now
From up and down, and still somehow
It's cloud illusions I recall
I really don't know clouds
clouds, at all do do, do do do dooo

Moons and Junes and Ferris wheels
The dizzy dancing way you feel
As ev-ry fai-ry tale comes real
I've looked at lo-ove that wa-aay

But now, it's just, another show
You leave 'em laughing when you go
And if you care don't let them know
Don't give yourself a-waaay

I've looked at love from both sides
now
From give and take, and still some-
how it's love's illusions I recall
I really don't know loooooove,
loooooove, at all do do do do do dooo

Tears and fears and feeling proud
To say "I love you" right out loud
Dreams and schemes and circus
crowds

I've looked at life that waaay

But now old friends are acting strange
They shake their heads they say I've
changed

Well some-thing's lost but something's
gained
In li-ving ev-ry daaay

I've looked at life from both sides now
From win and lose, and still somehow
it's life's illusions I recall
I re-ea-ly don't know liiiife
liiiiife
liiiiiiiife
at all
do do do do do dooo
