

BOTH SIDES NOW

Soprano

Row and floes of angel hair
And ice cream castles in the air
And feather canyons ev'rywhere
I've looked at clouds that wa-ay-ay

But now, they only block the sun
They rain and snow on ev'ry one
So many things I would have done
But clouds got in my wa-ay-ay

I've looked at clouds from both
sides now
From up and down
And still somehow
It's cloud illusions
I recall

I re-ea-lly don't know clouds,
clouds
At all, do do, do do do do

Moons and junes and ferris wheels
The dizzy, dancing way you feel
As ev'ry fairy tale comes real
I've looked at love that way-ay-ay

But now it's just another show
You leave 'em laughing when you
go
And if you care don't let them
know
Don't give *yourselfa* wa-ay-ay

I've looked at love from both sides
now
From give and take
And still somehow
It's love's illusions

I recall
I re-ea-lly don't know love, love
At all, do do, do do do do

Loo (4), loo (4), loo (2), loo (2)
Lo lo, loo (4), loo (4), loo (4)
Loo loo loo

But now old friends are acting
strange

They shake their heads
They say I've changed
Well, something's lost
But something's gained
In living ev'ry da-ay-ay

I've looked at life from both sides
now

From win and lose
And still somehow

It's life's illusions

I recall
I re-ea-lly don't know life, life, life
At all, do do, do do do do
