

Jane Siberry with k.d.lang - Calling All Angels

dooo (4 beats) dooooo dooooo dooooo
do do do do do do do do do do do do do do do do
(K) do do do do do do do do do do do do do do do a

man is upon steps, a baby's cry you hear the bells start to ring
heaviness the body hears a mother singing
Jone foot one more step on the road
Khow much can you take how much weight?
Jhow long? how far? before it's too
late too late too late too late calling all

angels calling angels walk me
through this one don't leave me I'm calling all
angels calling angels calling
tryin' - hopin' not sure, just how

do do do do do do do do
every day you gaze upon the s unset love and intensity
almost...as if you could crack the code you'd un-der- stand what this means
Jyou could...would you trade it all in
Kall the pain and suffering ..ah
Jyou'd miss beauty light on this earth
Jsweetness sweetness of lea-ving calling all

angels calling angels walk me
through this one don't leave me I'm calling all
angels calling angels calling
tryin' - hopin' not sure, why

Ooooh (4 beats) Ooh Ooh lone a lone
calling all
angels calling angels calling
tryin' - hopin' hurtin', lovin'
cryin', callin' not sure, just how
do do do do do do do do do do do do
do do do do ooh

Santa Maria, Santa Teresa, Santa Anna, Santa Susannah
Santa Cecilia, Santa Copelia, Santa Domenica, Mary Angelica
Frater Achad, Frater Pietro, Julianus, Petronilla
Santa, Santos, Miroslaw, Vladimir
and all the rest

a man is placed upon the steps, a baby cries
and high above the church bells start to ring
and as the heaviness the body oh the heaviness settles in
somewhere you can hear a mother sing

then it's one foot then the other as you step out onto the road
how much weight? how much weight?
then it's how long? and how far?
and how many times before it's too late?

calling all angels
calling all angels
walk me through this one
don't leave me alone
calling all angels
calling all angels
we're cryin' and we're hurtin'
and we're not sure why...

and every day you gaze upon the sunset
with such love and intensity
it's almost...it's almost as if
if you could only crack the code
then you'd finally understand what this all means

but if you could...do you think you would
trade in all the pain and suffering?
ah, but then you'd miss
the beauty of the light upon this earth
and the sweetness of the leaving

calling all angels
calling all angels
walk me through this one
don't leave me alone
callin' all angels
callin' all angels
we're tryin'
we're hopin'
we're hurtin'
we're lovin'
we're cryin'
we're callin'
'cause we're not sure how this goes
