

Close Your Eyes Alto C-Sheet DRAFT

Well, the sun is surely sink-ing down
But the moon is slowly rising
So this old world must still be spinning around, around
Oh, and I still love you

Oo-oo-oo-oo
So close your e-eyes, you can close your eyes
It's a-all right
I don't know no love songs
And I can't sing the blues any an-y more

But I can sing this song, I will sing this song for you
And you can sing this song when I'm gone

– Bauw – Bauw – Bauw – Ba-dauw Bah Da

It won't be long before another da-ay hey-ey hey-ey
We gonna have a good time, we have a good time
And no-one's gonna take that time away, time away
Oh, and you can stay as long as you like

Oo-oo-oo-oo
So close your e-eyes, you can close your eyes
It's a-all right, it's all right
I don't know no love songs
And I can't sing the blues any an-y more

But I can sing this song, I will sing this song for you
And you can sing this song when I'm gone

– Bauw – Bauw – Bauw – Ba-dauw Bah Da
Bah Ba Dah Bah Ba Bah Bah Da
Bah Ba Dah Bah Bah
Oo-oo Hmmm
