Do you ever feel like a plastic bag, drifting thru the wind, wanting to start again
Do you ever feel, feel so paper thin, like a house of cards, one blow from caving in
Do you Do six feet under scream but no one seems to hear a thing
Do you know that there's still a chance for you
Cuz there's a spark in you, you, nite the light and let it shine
Just own, own the night, night like the fourth of july
Cuz baby you're a f-iyer , baby you're a fiyer work, come on show 'em what you're worth,
show 'em baby show 'em baby make 'em goo ah! ah! aa -ah!
you shoot across the shoot across shoot across the sky cuz baby you're a
f-iyer work baby you're a fiyer work come on let your colour burst, show your colour
Show 'em baby make 'em go ah! ah! aaah! you leave 'em baby, leave 'em in, leave 'em all in
awe, you'll leave 'em all in awe, you don't have to feel like a waste of space
You're original, cannot be replaced, if you only knew
What the future holds after a hurricane, comes a rainbow hey ah
Do so you could open one that leads you to the perfect road
Like a lightning bolt, ---your heart will glow, and when it's time you'll know, know
You nite the light and let it shine just own own the night, night
Like the fourth of July. Cuz baby you're a f-iyer work, baby you're a fiyer work.
Come on show 'em what you're worth show 'em baby show 'em baby make 'em go ah! ah! aaah!
You shoot across the, shoot across, shoot across the sky,
Cuz baby you're a f-iyer work baby you're a fiyer work come on let your colour burst
Show your colour show 'em baby make 'em goo ah! ah!
As you leave 'em all in, leave 'em in, leave 'em all in awe, you'll leave 'em baby
Boom boom boom boom, even brighter than the
Moon moon moon, it's always been inside of you you you. And now it's time to let it thru
Fi-yer work what you are worth now make 'em go ah! ah! aaah!
You shoot across the, shoot across, shoot across the sky, cuz baby you're a
f-iyer work baby you're a fiyer work, come on let your colour burst, show your colour
Show 'em baby, make 'em goo ah! ah! aaah! You leave 'em all in, leave 'em in, leave 'em all in awe
You'll leave 'em baby
