

Houdini's Box Jill Sobule – (MEZZOS)

**Do DO doooo....
Do do DO do DO do x 2**

The box sits on the bridge
The crowd is waiting
The chains are locked across my
chest
There's no heart breaking

**I've done this show a thousand
times
This trick's so easy
As they lower me into your waters
There's no escaping**

**There's a secret passage out of here
But I don't want to reappear
I just want to stay with you in here**

mm da da da da da
mm da daaaaa

**do DO doooo
do do DO do DO doooo
do DO doooo
do do DO do DO doooo**

**The clock ticks by the bed
I hear you breathing
I should be out the door
But I'm not leaving**

I've still the scars from my last
escape
I nearly drowned beneath the lake
I stayed down too long
Dreaming about yoooo

mm da da da da da
mm da da da da da
mm da da da da da

Do DO doooo....
Do do DO do DO do
Do DO doooo
Do DOO do Dooo doooo

I'd take such good care of you I'd
Brush your hair untie your sho-oe
There's nothing in the world I
wouldn't do

mm da da da da da x 16

**The box sits on the bridge
The crowd's still wai---ting**
