You-miss-ing you, You miss-ing you, You miss-ing you, You miss-ing you X 2

Ev-'ry time I think of you, I al-ways catch my breath. And I' m still standing he-ere miles.

And I' m won-drin' why you left there's a storm that's ra-gin'

A-oo-oo-through my fro-zen heart to-night I hear your na-ame in cer – tain cir-cles

And it al-ways makes me smile.

I spend my ti-ime, time, and it's al-most dri-vin' me wild.

There's a heart that's break-in' a-oo-oo -down this long dis-tance line to-night.

I ain't miss-in' you at a-all. Miss-ing you, no I know I' m miss-in' you.

Miss-ing you, no I know I' m miss-in' you, Miss-ing you no I know I' m miss-in' you

Miss-ing you, say I know I' m miss-in' you

Miss-in' miss-in' miss-in' you miss-in' miss-in' you

And I' m sen-ding you this sig-nal to-night. Miss-in' you and you don't kno-o-o-ow how.

And it looks like I' m lo-sin' this fight

You miss-in' miss-in' miss-in' you miss-in' miss-in' though I' m try-in' hard to un-der-stand

Wo-wo it's my heart that's break-in' a-oo-oo-down this long dis-tance line to-night

I ain't miss-in' you at a-all. Miss-ing you no I know I' m miss-in' you.

Miss-ing you no I know I' m miss-in' you. Miss-ing you, no I know I' m miss-in' you.

Miss-ing you say I know I' m miss-in' you.

Ooo, and there's a mes-sage that I' m send-in' out li-ike a te-le-graph to your soul.

So-oul if I can, and if I can stop this heart-break o-ver-load.

I ain't miss-in' you at a-all.

Miss-ing you no I know I' m miss-in' you. Miss-ing you no I know I' m miss-in' you.

Miss-ing you no I know I' m miss-in' you. Miss-ing you, say I ain't miss-in' you at a-all

Miss-ing you no I know I' m miss-in' you. Miss-ing you no I know I' m miss-in'

There's a storm that's ra-gin' a-oo-oo-through my fro-zen heart to-night.

I ain't miss-in' you at all miss-ing you no I know I' m miss-in' you.

Miss-ing you no I know I' m miss-in' you.

Miss-ing you no I know I' m miss-in' you. Miss-ing you say I know I' m miss-in' you.

Ev-'ry time I think of you, I al-ways catch my breath
