Ever since our voyage of love began
Ooh hoo ooh
Ooh hoo oo ooh
There's always been a quiet place to harbour you and me ee
Our love is like a ship on the oocean
We've been sailing with the cargo full of
Love devotion.... (8 beats)

You got it you got the notion x 4
Rock the boat
Rock the boat

Rock the bo-ooo-OOoat
Ooooh don't | do | it

Up to now we've sailed through every storm
Ooh hoo ooh
Ooh hoo oo ooh
Let me drift away when love can see me through hoo (*all one note*)
Our love is like a ship on the oocean
We've been sailing with the cargo full of
Love devotion.... (8 beats)

You got it you got the notion x 8
Rock the boat x 12
