

# Tainted Love

Alto

by Ed Cobb (Soft Cell)

arr. Lee Hayes

Love\_\_\_ Sometimes I feel I've got to  
Run away I've got to  
Get away from the pain you drive  
into the heart of me  
The love we share  
Seems to go nowhere  
And I've lost my light  
For I toss and turn I can't sleep at night

## *Chorus*

Once I ran to you  
Now I'll run from you  
This tainted love you've given  
I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love – Love – tainted love

Now I know I've got to  
Run away I've got to  
Get away  
You don't really want any more from me  
To make things right  
You need someone to hold you tight  
And you think love is to pray  
But I'm sorry I don't pray that way

## *Chorus*

Once I ran to you  
Now I'll run from you  
This tainted love you've given  
I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love - Love - tainted love  
Doot! Doot!\_\_\_

Stand the way you tease  
I love you though you hurt me so  
Now I'm gonna pack my things and go  
Tainted love,  
Tainted love  
Tainted love,  
Tainted love  
Touch me baby, tainted love  
Touch me baby, tainted love  
Tainted love  
Tainted love Taint-ed
