ALL NEED BY AH ALL NEED BY AH ALL NEED BY AH

I will go / where you lead / Always there in time of need

Then when I / lose my will You'll be-there to-push-me up the hill

There's no / No looking back for us /

We've got the love / Sho-nuff / That's enough

You're all__ All that I ne-eed to get by

ALL NEED BY AH ALL NEED BY AH

Dar-lin'-in you I found strength when I was torn down

BY AH

Just to do / good for you / and-inspire you a little higher

Know you can / make a man / out-of-a-soul that-didn't have a goal

Cuz we / we've got the right foundation and with our love /and de/ ter-mi-na-tion

You're all / All that I / want to strive for (and) do a little more for

You yeah! All the joys under the sun/ wrapped into one

You're you__ You're all I nee-ee-ee-ee-eed__

You__ You're all I nee-ee-ee-ee eed__ All__I__

ALL NEED BY AH ALL NEED uh-HUH__
