

Close Your Eyes **by James Taylor**

Well, the sun is slowly sinking down,
the moon is surely rising.
This old world must still be spinning round,
and I still love you!

Chorus

So close your eyes.
You can close your eyes it's alright.
I don't know no love songs.
I can't sing the blues anymore,
but I can sing this song,
and you can sing this song
when I'm gone!

Well, it won't be long before another day,
and we're gonna have a good time.
No one's gonna take that time away,
and you can stay as long as you like!

Chorus

So close your eyes.
You can close your eyes it's alright.
I don't know no love songs.
I can't sing the blues anymore,
but I can sing this song,
and you can sing this song
when I'm gone!
