

# **I Think I Love You**

## **by Tony Romero**

I'm sleeping and right in the middle of a good dream  
When all at once I wake up  
From something that keeps knockin' at my brain  
Before I go insane  
I hold my pillow to my head and spring up in my bed  
Screaming out the words I dread

I think I love you  
I think I love you

This morning, I woke up with this feeling  
I didn't know how to deal with  
And so I just decided to myself  
I'd hide it to myself and never talk about it  
And didn't I go and shout it  
When you walked into the room

I think I love you  
I think I love you

I think I love you  
So what am I so afraid of?  
I'm afraid that I'm not sure of  
A love there is no cure for

I think I love you  
Isn't that what life is made of?  
Though it worries me to say  
That I've never felt this way

I don't know what I'm up against  
I don't know what it's all about  
I got so much to think about

Hey, I think I love you  
So what am I so afraid of?  
I'm afraid that I'm not sure of  
A love there is no cure for

I think I love you  
Isn't that what life is made of?  
Though it worries me to say

I've never felt this way

Believe me, you really don't have to worry  
I only want to make you happy  
And if you say, "Hey, go away," I will  
But I think better still  
I'd better stay around and love you  
Do you think I have a case? Let me ask you to your face

Do you think you love me?  
I think I love you  
I think I love you  
I think I love you
