

Missing You

by John Waite / Chas Sandford / Mark Leonard (as performed by John Waite)

Every time I think of you
I always catch my breath
And I'm still standing here
And you're miles away
And I'm wondering why you left
And there's a storm that's raging
Through my frozen heart tonight
I hear your name in certain circles
And it always makes me smile

I spend my time
Thinking about you
And it's almost driving me wild
And there's a heart that's breaking
Down this long distance line tonight

I ain't missing you at all
Since you've been gone
Away
I ain't missing you
No matter
What I might say

There's a message
In the wild
And I'm sending you
This signal tonight

You don't know
How desperate I've become
And it looks like I'm losing this fight
In your world
I have no meaning
Though I'm trying hard
To understand
And it's my heart that's breaking
Down this long distance line tonight

I ain't missing you at all
Since you've been gone
Away
I ain't missing you
No matter
What my friends say

And there's a message that I'm sending out
Like a telegraph to your soul
And if I can't bridge this distance
Stop this heartbreak overload

I ain't missing you at all
Since you've been gone
Away
I ain't missing you
No matter
What my friends say

I ain't missing you
I ain't missing you
I keep lying to myself
And there's a storm that's raging
Through my frozen heart tonight

I ain't missing you at all
Since you've been gone
Away
I ain't missing you
No matter
What my friends say

Ain't missing you
I ain't missing you
I ain't missing you
I keep lying to myself
Ain't missing you
I ain't missing you
I ain't missing you
I ain't missing you
I ain't missing you
I ain't missing you
Ain't missing you

Oh no
No matter what my friends might say
I ain't missing you
