Nobody's Fault But Mine - Traditional
Traditional American Spiritual, additional lyrics Copyright © Lee Hayes

Chorus
Well, it's nobody's fault but mine
Nobody's fault but mine.
Well, if I die and my soul be lost
It's nobody's fault but mine

Well my mama taught me to sing
My mama taught me to sing
Well, if I die and my soul be lost
Oh my mama taught me to sing

Chorus

Well my mama taught me to smile
My mama taught me to smile
Well, if I die and my soul be lost
Oh my mama taught me to smile

Chorus

Well my mama taught me to laugh
My mama taught me to laugh
Well, if I die and my soul be lost
Oh my mama taught me to laugh

My mama taught me to love
Taught me to love love love oo
My mama taught me to love
Taught me to love love
My mama taught me to love

Well my mama taught me to live
My mama taught me to live
Well, if I die and my soul be lost
Oh my mama taught me to live

Well, it's nobody's fault but mine
Nobody's fault but mine.
Well, if I die and my soul be lost
It's nobody's fault
Nobody's fault
It's nobody's fault but mine
