

## **When the Party's Over**

by **Billie Eilish** writer **Finneas O'Connell**

### **[Verse 1]**

Don't you know I'm no good for you?  
I've learned to lose you, can't afford to  
Tore my shirt to stop you bleeding  
But nothing ever stops you leaving

### **[Chorus]**

Quiet when I'm coming home and I'm on my own  
I could lie and say, "I like it like that, like it like that"  
I could lie and say, "I like it like that, like it like that"

### **[Verse 2]**

Don't you know too much already?  
I'll only hurt you if you let me  
Call me friend, but keep me closer  
(Call me back)  
And I'll call you when the party's over

### **[Chorus]**

Quiet when I'm coming home and I'm on my own  
I could lie and say, "I like it like that, like it like that"  
Yeah, I could lie and say, "I like it like that, like it like that"

### **[Bridge]**

But nothing is better, sometimes  
Once we've both said our goodbyes  
Let's just let it go  
Let me let you go

### **[Chorus]**

Quiet when I'm coming home and I'm on my own  
I could lie and say, "I like it like that, like it like that"  
I could lie and say, "I like it like that, like it like that"
